Campus code for Canterbury: **none required**

Campus code for Medway: **M**

Campus code for Broadstairs: **N**

Campus code for Folkestone: **F**

Applying via UCAS (Universities and Colleges Admissions Service)

For all programmes in the prospectus which state that application is made through UCAS, you must apply online at www.ucas.com

There are three types of applicant:

1. Students at a school or college registered with UCAS

All UK schools and colleges (and a small number of establishments overseas) are registered with UCAS to manage their students' applications.

Advice is available from your teacher or a careers adviser at your school or college. You fill in an online application and submit it to a member of staff. After checking your details, and having added the academic reference, your school or college submits the completed application online to UCAS. You pay online using a credit card or debit card. You may also be able to pay through your school or college.

2. Independent applicants in the UK
Other UK applicants, who are not at school or college, apply online independently.

It is likely that you are a mature applicant, who, unlike school and college students, cannot readily seek advice from your teacher, but can instead consult with various careers organisations (such as Connexions). You are responsible for paying the correct application fee, for obtaining and attaching the academic reference and for submitting the completed application online to UCAS.

3. International applicants outside the UK (EU and worldwide)

Except for those whose school or college is registered with UCAS, individuals from the EU (excluding the UK), and worldwide, apply online independently.

Advice is available from British Council offices and other centres overseas, such as your school or college. You are responsible for paying the correct application fee, for obtaining and attaching the academic

reference and for submitting the completed application online to UCAS.

For all applicants, there are full instructions at www.ucas.com to make it as easy as possible for you to fill in your online application, plus help text where appropriate. UCAS also has a comprehensive guide called Applying Online, which can be downloaded from www.ucas.com

Programmes offered at the Medway Campus (Campus code: M)

BA Honours	
Early Childhood Studies	X310

BSc Honours	
Diagnostic Radiography	B821
Midwifery	B720
Nursing (Adult Branch)	B740
