Any resolution of the Governing Body may be rescinded or varied at a subsequent meeting if due notice of the intention to rescind or vary the same has been given in writing to all the Governors (subject to the provisions of Article 127 hereof).

The agenda and draft minutes, if they have been approved by the Chairman of the meeting, signed minutes and reports or papers considered at meetings of the Governing Body or any of its Committees will be available for inspection by staff and students on application to the Clerk except where such documents relate to a named present or prospective member of staff or a named present or prospective student or to matters which the Governing Body or any Committee thereof have decided should be dealt with on a confidential basis.

Except in special circumstances, with the prior approval in writing of the Charity Commission, no Governor shall take or hold any interest in any property belonging to the University otherwise than as a trustee for the purposes thereof, or receive any remuneration (other than that payable in respect of salary or other emoluments as
Vice Chancellor and Principal, Staff or in respect of scholarships, grants or other awards as a Student), or be interested in the supply of work or goods at the cost of the University.

If a Governor has any financial interest, direct or indirect in any contract or proposed contract, or in any property to be held or used for the purposes of the Company, or in any other matter, he shall at the meeting disclose the fact and shall, if requested to do so by the chairman of the meeting or a majority of the Governors present at the meeting, withdraw from that meeting while such contract, property or matter is considered. Such Governor shall not take part in the discussion of and shall not vote on such contract, property or other matter in which he has disclosed such interest.

A Governor who has a personal interest (not being a financial interest covered by Article 65) in any matter shall declare his interest and, unless invited to remain by resolution of the other Governors present at the meeting, shall withdraw from that part of the meeting at which such matter is considered.

For the purposes of section 175 of the Act, the Governors may authorise any matter proposed to them in accordance with these Articles which would, if not so authorised, involve a breach of duty by a Governor under that section, including, without limitation, any matter which relates to a situation in which a Governor has, or can have, an interest which conflicts, or possibly may conflict, with the interests of the Company (a “Conflict”). Any such authorisation will be effective only if:

67.1 any requirement as to quorum at the meeting at which the matter is considered is met without counting the Governor in question or any other interested Governor; and

67.2 the matter was agreed to without their voting or would have been agreed to if their votes had not been counted.

The Governors may (whether at the time of the giving of the authorisation or subsequently) make any such authorisation subject to any limits or conditions they may expressly impose but such authorisation is otherwise given to the fullest extent permitted. The Governors may vary or terminate any such authorisation at any time, but this will not affect anything done by the Governor in question prior to such variation or termination, in accordance with the terms of such authorisation.

For the purposes of these Articles, a conflict of interest includes a conflict of interest and duty and a conflict of duties, and interest includes both direct and indirect interests.

The Governing Body shall maintain a Register of Interests for Governors, and staff in senior posts, which shall be available for inspection at the Office of the Clerk during normal working hours.

The Staff Governors, and the Student Governor, shall withdraw from that part of any meeting of the Governing Body or a committee of the Governing Body at which there will be considered the appointment, grading, promotion, suspension, dismissal, retirement, salary or conditions of service of or any disciplinary action proposed to be
taken against a member of the Staff, unless (in the case of Staff Governors) invited by a resolution of the other Governors, or of the other members of the committee in question, to remain.

70 Any Staff Governor, the Vice Chancellor and Principal or the Clerk shall withdraw from that part of any meeting of the Governing Body or any committee of the Governing Body at which his grading, promotion, suspension, dismissal, retirement, salary or conditions of service or any other personal matter related to him are considered unless he is entitled to be present under the terms of his contract of employment with the Company. If he is entitled to be present he shall not speak or vote in relation to any such matter.

72 The Student Governor shall withdraw from that part of any meeting of the Governing Body or of a committee thereof at which his suspension, expulsion, or any other personal matter relating to him is considered except in so far as any regulations concerning the discipline of Students entitle him to be present.

73 A Student Governor who is suspended or excluded from the University shall not, so long as he is suspended or excluded, attend any meeting of the Governing Body or of any committee thereof unless permitted to do so by a resolution of the other Governors or of the other members of the committee in question except in so far as any regulations concerning the discipline of Students entitle him to be present.

74 Any Student Governor shall withdraw from that part of any meeting of the Governing Body or of the Academic Board or of any Committee of either of which he may be a member at which there is consideration of the appointment, promotion, suspension or dismissal of or any other matter concerning any member of the Staff or any matter concerning the academic performance of any individual student: Provided that any Student Governor may be present when a Student (other than himself or herself) is exercising the right to be heard by the Governing Body under arrangements or procedures set down by the Governing Body as required by Articles 112 and 113.
