Each subject will have three sessions, the content of each session will be different.

Session 1 – Welcome: An introduction to your subject and the staff who you'll be meeting throughout the day.

Session 2 – Informal: A more informal session where you can talk to staff, students and fellow Offer Holders while enjoying some refreshments. A great opportunity to get your questions answered.

Session 3 – Taster: Experience a taster lecture, seminar or hands on learning session. Get a real feel for what it's like to study your subject. Please note due to limited capacity and the interactive nature of this session, we will need to prioritise prospective students attending this session rather than guests.
