

Project Management Using PRINCE2®

The purpose of our PRINCE2® Project Management Programme is to raise the knowledge base and skills level required by professionals in using the methodology and delivering effective innovative solutions.

We deliver a range of internationally recognised, accredited courses in association with SPOCE Project Management Limited.

- Overview of PRINCE2® - A one day introductory course
- PRINCE2® Foundation Level - A three day course
- PRINCE2® Practitioner Level - A five day course

The courses cover the following areas:

- Overview of the PRINCE2® methodology
- PRINCE2® Principles and Themes
- PRINCE2® Processes and the Process Model
- Project Member's roles and responsibilities
- Business Case
- Product Based Planning Steps
- Progress Control and Managing Exceptions
- Risk Management in Projects
- Quality Management
- Foundation Exam Preparation
- Practitioner Exam Preparation

Delegates should note there are pre-course preparation requirements and that evening work will be necessary during the courses
