Faculty of  
Education

- Explore the implications arising from the revalidation of the ITE programmes

- Discuss and consider the advantages of alternative placements

- Explore the relationship between school/college and university centre based teacher education

- Share good practice in mentoring

- Work with fellow mentors and university tutors to further develop good practice in mentoring beginner teachers

Professional Mentors (11-18 PGCE) will be able to meet with their Student Teachers for second placement at the end of the conference.
