CONFERENCE THEME

The conference invites papers, practical workshop proposals, poster presentations including the following:

- Development of cybercrime forensics as a new discipline
- Hacking detection, prevention & prosecution
- Viruses and antivirus software
- Police cybercrime training
- Commercial training in cybercrime forensics
- University and college cybercrime education
- Professional body support for cybercrime education
- Supporting police investigations
- Companies subcontracting forensic analysis
- Defining educational programmes and their objectives
- Ethical, professional and legal issues
- New software tools for cybercrime forensics
- International cooperation to develop standards
- Career pathways in cybercrime forensics
- Network and mobile communication technologies
- Cooperation of commercial and academic partners
- Case studies in cybercrime forensics
- Cybercrime risk management and disaster planning
- Biometrics, CCTV, ANPR and Internet forensic evidence
- Government responses to cybercrime

CONFERENCE PARTICIPANTS

The conference seeks to attract participants from three groups:

Police Forces

- police officers;
- training organisations; high-tech crime units.

Commercial Practitioners

- computer security companies;
- legal services;
- risk management;
- forensic software tool vendors.

Educational Trainers

- university & college researchers; lecturers;
- research students; masters students

BCS Cybercrime Forensics SG

This conference is supported by the work of the British Computer Society Cybercrime Forensics Specialist Group. Details of how to join the BCS and become a member of this specialist group can be found at the BCS website:

<http://www.bcs.org>

SUBMISSION DEADLINES

Extended deadline 1st July 2009 Abstract Submission
(Presentation at Conference only)
300-500 words

Title of paper
Author(s)
Organisation

18th July 2009 Full Paper submission
(Presentation at Conference and inclusion in Proceedings)
not exceeding 5000 words
Microsoft Word format only

Format can be downloaded from conference website

1st August 2009 Notification of acceptance for proceedings.
If you would like to offer a workshop—either computer laboratory based or otherwise please contact us as soon as possible.
