Accommodation Car Parking terms and conditions

1. Scope of terms and conditions

These terms and conditions apply to accommodation car parking for students at Lanfranc and Pin Hill. [Car parking management operates across these sites on a 24 hour basis throughout the year.] On occasion, Canterbury Christ Church University (which is referred to in this document as 'the University') might be required to deviate from these terms and conditions, for example, in the event of an emergency. [All sites are private in relation to the entry and movement of vehicles and the University reserves the right to deny access to any vehicle.]

2. Permits and charges

2.1 You require a permit to park a car at Lanfranc and Pin Hill. Permits are only issued for students who have accepted an offer of accommodation at these locations. As parking spaces are limited, priority is given to students with medical needs, or who require a car for professional course placements, such as nursing or education. Otherwise, permits are allocated in the order in which they are received. If no places are available, you will be placed on a waiting list. Permits are issued only for the parking of your car for private purposes only. Permits are personal to the holder.

2.2 Permits are to be paid for in advance [by termly instalments]. Parking is available for 39 weeks (£585). Once issued, permits for 40 weeks are eligible for part refund for any complete 20 week period remaining on your permit in the following circumstances:

- you withdraw from [or interrupt] your course at the University;
- you continue with your course at the University and move to another University residence where no [permit] parking facilities are available; or
- you do not require a permit as you no longer have the use of the car for which a permit has been issued [for example, your car has been written off].

[Your permit may be revoked without refund if the University takes action for any reason to end your accommodation licence agreement.]

2.3 Upon payment by you of a deposit of £30.00, you will be issued with a key, card or fob with your permit to access your parking, which is refundable upon expiry or revocation of the permit. If you lose your key, card or fob, you will be required to pay a non-refundable charge of £20.00 [to cover the costs of replacement] [and a further refundable deposit of £30 for the replacement key, card or fob] in addition to the non-return of your £30 deposit for the lost key, card or fob. If you lose your permit, there will be a £10 charge to replace it.

2.4 If you are a valid Blue Badge holder, you do not have to pay for a parking permit to park your car, but you are required must still to apply for one. However, you are required to display your Blue

Badge and you are permitted to park in designated spaces at Lanfranc and Pin Hill.

2.5 Permits are allocated against vehicle registration numbers and are issued in respect of specific allocated parking spaces only. [Permits do not guarantee the availability of your allocated space.]
