Protected titles/awards (only available to students who pass all academic and professional requirements)	PG Dip Clinical Neuropsychology
Implementation date	September 2026
Applies to	All Cohorts, except as identified below

1. The Regulations for Taught Awards apply in full to this course, except as detailed in these Additional Course Regulations. In any conflict between the two, this document shall take precedence.

RECOGNITION OF PRIOR LEARNING

2. Recognition of Prior Certificated Learning is permitted only in line with the following criteria:

   (i) modules are from a BPS-accredited taught postgraduate award, covering the knowledge dimension in clinical neuropsychology;

   (ii) students must have obtained a pass mark of 50% without compensation.

3. RPEL is not permitted.

COMPENSATION

4. Compensation is not permitted.

CONDITIONS OF REGISTRATION

5. A student must have access to a practise setting with access to clinical neuropsychology.
6. Students must remain in good standing in relation to their Fitness to Practise to remain on the course.

RETRIEVAL

7. Students are permitted two reassessment attempts. Retakes of failed modules are not permitted.

RETURN FROM INTERRUPTION

8. Only one module runs in each semester and modules run once every two years. There may be no cohort to join when a student returns from interruption. Where a student returns from interruption before the relevant module(s) run again, the student will complete outstanding modules through the 'individual tutorial method', out of sequence with the normal delivery of the modules. No more than 60 credits can be completed in this way.
9. Where a student completes modules through the 'individual tutorial method', alternative assessments may be agreed to replace group recorded discussions.

FITNESS TO PRACTICE

10. The employer's fitness to practice or disciplinary procedures will apply on this course.
11. The University Fitness to Practise procedure may apply on this course. Where a student is subject to a Fitness to Practise referral, continuation on the course, and engagement with current and future assessment or retrieval opportunities related to professional practice will only be possible:

    (i) where the Fitness to Practise process deems this to be appropriate and

    (ii) where any precautionary measures linked to practice are lifted.
