ASSESSMENT

5. All assessments must be passed. This includes theoretical assessments and those involved in the assessment of practice.

6. Assessment of Practice will receive a grade-mark.

REASSESSMENT RESTRICTIONS

7. A student may be reassessed in all placement opportunities.

8. A student may be reassessed in a practice assessment on one occasion only for each assessment of practice.

9. A student who fails a practice assessment after all module re-sit opportunities have been exhausted will not be allowed to repeat the module and will be required to withdraw from the programme.

COMPENSATION

10. The programme is excluded from University regulations regarding compensation.

11. There will be no compensation in the assessment of practice and there can be no compensation between theory and practice. Students must pass successfully all elements of practice learning. Assessment of Practice will receive a grade- mark

PROGRESSION

12. A student may only progress from one year or one stage of the programme to the next on successful completion of the required practice assessment.

13. Students are excluded from the University Trail and Progress regulations. Students may, however, continue into the next stage of the programme with any outstanding reassessment opportunities provided this is in exceptional circumstances only and the final reassessment opportunity for the referred credits occurs and is confirmed within 12 weeks of entering the next stage of the programme.

PROFESSIONAL PRACTICE AND CONDUCT

14. As a condition of a professional award, students must meet successfully the requirements concerning attendance and professional practice, together with any professional requirements relating to student conduct, good health and good character. Breaches of professional conduct will be subject to the University Student Disciplinary Procedures.
