INTRODUCTION

Course title	Natural and Applied Sciences Suite: BSc (Hons) Biosciences (with routes): BSc (Hons) Animal Science BSc (Hons) Plant Science BSc (Hons) Biochemistry & Genetics BSc (Hons) Food Science & Nutrition BSc (Hons) Wildlife Ecology & Conservation Science (and routes): BSc (Hons) Geography BSc (Hons) Biomedical Science (and routes): BSc (Hons) Human Biology MSci Biomedical Science [all available with Foundation Year]
Course code	tbc
Exit awards (if these regulations are also applicable to the exit awards)	Dip HE Bioscience Cert HE Bioscience Dip HE Wildlife Ecology & Conservation Science Cert HE Wildlife Ecology & Conservation Science Dip HE Biomedical Science Cert HE Biomedical Science
Module titles and codes (if these regulations are applicable to certain modules only)	N/A – applies to all modules
Date effective from	September 2022
Date effective to	September 2028

ASSESSMENT

- 1 All modules contain a 'Portfolio' component of assessment, with the exception of the Dissertation/Individual Study and Level 7 modules.
- 2 The 'Portfolio' is not weighted and must be passed.
- 3 Assessment of the 'Portfolio' component of assessment is pass/fail only.
- 4 A pass constitutes 50% or more skills passed and must include any listed as "required".

- 5 All other components of assessment in a module containing a 'Portfolio' will have indicative word count/equivalence reduced by 10% across the module. This will not affect the component weightings.

COMPENSATION

- 6 A module containing a 'Portfolio' may only be compensated, in line with the University regulations for compensation, if the 'Portfolio' has been passed.
- 7 All Dissertation/Individual Study modules are excluded from the University regulations for compensation:
- i. Honours Project in Animal Science;
 - ii. Honours Project in Biochemistry & Genetics;
 - iii. Honours Project in Biomedical Science;
 - iv. Honours Project in Bioscience;
 - v. Honours Project in Food Science & Nutrition;
 - vi. Honours Project in Geography;
 - vii. Honours Project in Human Biology;
 - viii. Honours Project in Plant Science;
 - ix. Honours Project in Wildlife Ecology & Conservation Science.
- 8 The Level 7 Research Project module is excluded from the University regulations for compensation:
- i. Research Project in Biomedical Science.

REASSESSMENT AND PROGRESSION

- 9 The Portfolio component of assessment in each module is subject to two reassessment attempts.
