DEFAULT AWARDS NOT LEADING TO PROFESSIONAL REGISTRATION

2 For a student who passes the theoretical elements of all modules and the assessment of practice in years 3 and 4 but does not complete year 4, the Board of Examiners must consider recommending an exit award that does not lead to professional recognition.

3 Aegrotat awards may be offered at the discretion of the Board of Examiners as outlined in the regulations; however such awards would not provide eligibility to apply for admission to the relevant professional register.

5 Practical placement modules will receive a mark as per the process detailed within the Programme Specification.

If a student fails more than one practical placement assessment then the student will automatically be reassessed in both placement modules with attendance in the next academic year.
