BSC (HONS) PSYCHOLOGY

BSC (HONS) PSYCHOLOGY WITH PLACEMENT YEAR

BSC (HONS) PSYCHOLOGY (SPORT AND EXERCISE)

INTRODUCTION

1. These special regulations relate to the following programmes that reside within the General Modular Scheme:
   - Psychology (Single Honours)
   - Psychology (Single Honours) with Placement Year
   - Psychology (Combined Honours)
   - Psychology (Sport and Exercise) (Single Honours)

SPECIAL REGULATIONS

2. In line with criteria specified in the British Psychological Society Standards for the Accreditation of Undergraduate, Conversion and Integrated Masters Programmes, in order to obtain a BPS-accredited degree conferring the Graduate Basis for Chartered membership (GBC), students must:

   (a) obtain a class 2(ii) degree, or above;

   (b) take and pass (without compensation) the 20-credit Level 6 module entitled 'Research Project' (Individual Study) or the 40-credit Level 6 module entitled 'Extended Research Project'.

3. In addition, Combined Honours students must:

   (c) study all core modules drawn from the Psychology Programme to the value of 60 credits at Level 5 and 60 credits at Level 6.

RECOGNITION OF PRIOR LEARNING

4. In line with the British Psychological Society *Standards for the Accreditation of Undergraduate, Conversion and Integrated Masters Programmes*, in order to obtain a BPS-accredited degree conferring the Graduate Basis for Chartered membership (GBC), for recognition of prior learning, where a student has transferred into the programme from another programme, students must ensure they have completed all GBC Curriculum areas by the time they complete their studies.

Approved by Academic Board, 26 October 2020.
