Thursday 30th Nov

Carbon Footprint

Competition

9am-2.30pm, Touchdown

Come and chat to SGO member, Jack, in Touchdown, take the 5 minute World Wildlife Foundation carbon footprint calculator and join our leader board if you'd like to, to see how you rank against other students and staff as the United Nations COP28 conference kicks off across the globe.

[Event page here.](#)

Thursday 30th Nov Craftivism

1-4pm, the Students' Union

Part of the SU's *Give it a Go* programme of events, students can come and try something new with the Students' Union and the Academy for Sustainable Futures at our monthly Craftivism workshops on campus.

Craftivism is a gentle form of activism through crafting. These sessions tend to focus on environmental activism; this one will be COP28-themed.

[Event page here.](#)

Thursday 30th Nov 'Doing' Sustainability Education

3-5pm, VH.3.90 open space

Join us to celebrate Dr. Stephen Scoffham's award-winning book 'Sustainability Education: A Classroom Guide.'

Dr Stephen Scoffham will be presenting his fantastic workshop, "Doing' Sustainability Education' from 15:00-17:00. Led by Stephen, this session has been designed for teachers/teacher educators for ages 4-14 years.

This will then be followed by Afternoon Tea, before the official book launch and signing from 17:30.

[Event page here.](#)

**Thursday
30th Nov
“Sustainability
Education” Book
Launch & Signing
5.30-6.15, VH.3.90 open space**

After Dr. Stephen Scoffham’s talk on his new book, “Sustainability Education: A Classroom Guide”, and an Afternoon Tea, the Faculty of Arts, Humanities and Education in collaboration with the Academy for Sustainable Futures will be hosting a book launch and signing to celebrate this publication.

[Event page here.](#)

Friday 1st Dec Student Green Office Pop-Up Stand 1.30-3.30pm, Touchdown

Members of the Student Green Office will be in Touchdown Café with whiteboards gathering student opinions on COP28 and the climate crisis.

[Event page here.](#)

Sunday 3rd Dec

“Education for sustainability, citizenship, democracy and peace” online talk

1.30-3.30pm, online

If we are to address the current ecological crisis we need to work together in peace and harmony to mobilise all the resources at our disposal. Education has a special role to play in this process. We know without doubt that the leaders of tomorrow are in school today and seeing that they are environmentally literate is a high priority which cannot wait. This presentation will explore new thinking about sustainability education in the UK and other parts of the world. It will focus on the relationship between pupils and the environment, highlight different ways of knowing and seek to identify underlying principles and values linked to the United Nations Global Goals. Social justice, equity and inclusion will be set alongside ecological and environmental imperatives. Schools have both the duty and the opportunity to help forge the life messages that will guide as they navigate increasingly troubled times.

This online talk will be led by Dr. Stephen Scoffham and presented in the Ukrainian Pavilion of COP28.

When available, the joining link will be added to [the events page](#).

Monday

4th Dec

Carbon Literacy

Action Day Full Training

9am-4pm, Ng09

On Carbon Action Day, thousands across the UK undertake Carbon Literacy Training to learn more about the climate crisis and what they can do to help.

This Carbon Action Day, the Academy for Sustainable Futures is hosting a full day's training session. There will be an hour lunch, with food provided.

Students, to sign up, please email
carbonliteracytraining@canterbury.ac.uk

Staff, please book on StaffLearn.

[Event page here.](#)

Thursday 7th Dec

Climate Café

Nature Walk

**1-1.45pm, meet outside
Verena Holmes**

Join members of the Academy for Sustainable Futures for a 45-minute nearby walk in nature. A chance to grab some fresh air, stretch your legs, and (optionally) chat about your climate hopes and anxieties in friendly company.

Please arrive 5 mins early ready to leave promptly at 1pm, outside Verena Holmes near the Streatery food van. Just look out for people holding a big Academy for Sustainable Futures/Climate Café Nature Walk sign.

Booking is optional but encouraged. If you book, we'll be able to let you know if the event has been cancelled or postponed due to poor weather, but you're welcome to just turn up on the day if you prefer.

Thursday 7th Dec Climate Escape Room

2.30-4pm, Ng01

Join us for a Climate Escape Room as part of our COP28@CCCU programme of events! Solve puzzles and riddles, learn about our planet, and find all the clues to uncover the truth about the climate emergency.

In this escape room-style game, players learn the scientific causes and effects of climate change and try to save the world against the clock.

Spaces are limited so please book yours to avoid disappointment!

If you're interested in booking a climate escape room for you and some friends at another time, we can accommodate up to six people per booking and are happy to work with you to find a date, time and place for an on-demand climate escape room. Just email us at sustainability@canterbury.ac.uk

Friday 8th Dec

Carbon Literacy

Training Part 1 of 2

1-4pm, Jg10

Global climate change is one of the biggest challenges facing the world. Many national and local governments, and many organisations have declared Climate Emergencies, including Christ Church.

This short course is designed to teach you about climate change, carbon footprinting and ways you can make conscious changes and choices to reduce your carbon footprint. Delivered over two weeks, with approximately one hour of self-study and a three hour interactive workshop each week. Successful completion of all the course material will earn you certification from the Carbon Literacy Trust.

This is part one of a two part course (part two taking place on 15 December at the same time and place).

Students, to book your spot, please email carbonliteracytraining@canterbury.ac.uk

Staff, please book through StaffLearn.

**Saturday
9th Dec
CCAP Climate
Action Festival and
Awards
10.30am- 6pm, St. Peter's
Methodist Church, Canterbury**

At the CCAP Climate Action Festival, you'll have the opportunity to engage with like-minded individuals, learn about the latest climate initiatives, and discover practical ways to reduce your carbon footprint. From family fun workshops and expert-led talks to a sustainable marketplace and interactive climate action games, there's something for everyone.

And when the festival finishes at 4pm, stay on for the 2023 CCAP Climate Action Awards as achievement on environmental sustainability is recognised and rewarded in 6 key areas: Primary & Secondary Schools, Further & Higher Education, Community & Faith Organisations, Business, Partnerships and Individual Excellence.

[CCAP Events Page here.](#)

Monday 11th Dec Eco-Hope TEDTalk Screening

11.30am - 1pm, Ng07

Drop in anytime between 11.30am-1pm and listen to Environmental Data Scientist Hannah Richie share why she sees hope and a sustainable future in the data on climate change.

We will be screening her TED Talk on repeat every 15 minutes, so pop along whenever it suits you.

[Events page here.](#)

Monday 11th Dec

Climate Escape Room

1.30-3pm, Nt07

Join us for a Climate Escape Room as part of our COP28@CCCU programme of events! Solve puzzles and riddles, learn about our planet, and find all the clues to uncover the truth about the climate emergency. In this escape room-style game, players learn the scientific causes and effects of climate change and try to save the world against the clock.

Spaces are limited so please book yours to avoid disappointment!

If you're interested in booking a climate escape room for you and some friends at another time, we can accommodate up to six people per booking and are happy to work with you to find a date, time and place for an on-demand climate escape room. Just email us at sustainability@canterbury.ac.uk
