

Health Professions Information Session

Medway Campus

Welcome to CCCU's Medway Campus. Visit the stands to speak to our course tutors and current students and take a look around our fully equipped simulation suite. Attend a talk about fees and funding your degree studies and a talk about how to prepare for your remote interview. Both talks will give you valuable advice and useful hints and tips.

Admissions stand: RWf15

Come and talk to our admissions team and find out about the application process and how to apply.

Fees & Funding, UCAS Applications and Personal Statements stand: RWf15

Learn more about funding your degree and get tips about fees and finance. Plus find out about the UCAS application process and personal statements.

Health Applicant Interviews and Student Uniform stand: RWf15

Speak to a member of the Health Recruitment & Uniform Team about what to expect throughout the applicant interview journey and find out more about the uniform our students wear when they are on placement.

Library

Enter via the reception and explore the Drill Hall Library. Said to be the longest library in Europe, this former naval drill shed houses an extensive collection of books and journals

with an impressive range of study areas. It includes a café, family area, adjustable working spaces and high-quality technology.

Fees and funding your degree studies talk: RWg21 16:45 - 17:15

Find out more about the fees and how to fund your degree studies and what happens next.

Remote Interview Preparation talk: RWg20 17:20 - 17:45

Learn more about preparing for a virtual interview, interview etiquette, Values Based Recruitment and managing interview anxiety.

Practical Demonstrations: RWf07

Drop in and try your hand at a range of clinical, practical activities.

Simulation Suite: 1st floor

Our Simulation Suite is a multi-disciplinary education facility used to enhance practical skills training for students in healthcare.

Find out more about our Health Courses and meet our course tutors and student ambassadors.
