

Practice Assessor and Practice Supervisor Virtual Workshops

The NMC states that Practice Supervisors and Practice Assessors must be suitably prepared and supported in their roles.

We are offering virtual workshops to all Practice Assessors (PA) and Practice Supervisors (PS). The workshop will prepare you to be a Practice Supervisor and count as an update for both PS and PA. It will contribute to 3 hours CPD which includes 2 hours attendance at the workshop and 1 hour post session reflection and further reading.

Aim of the workshop: To understand and gain confidence in your role as a Practice Assessor/Supervisor.

Learning Outcomes:

- Understand the SSSA roles and responsibilities.
- Consider the importance of a positive learning environment.
- Understand assessment, documentation and effective feedback.
- Recognise student support needs.
- Awareness of key themes for placement quality improvement.
