

Careers information,
advice and guidance
to plan your future

This booklet outlines the support
we offer all students and alumni
to find employment and build a
meaningful career.

An online version of this document is
available on our Careers and Enterprise
Online Hub along with more activities,
information and guidance to help you.

FUTURE 360

Canterbury Christ Church University's Future 360 Framework for Developing Enterprising Professional Graduates is embedded in your degree programme and reflected in your extra-curricular activities.

It provides you with a 360° approach to improving your employability during your degree and beyond.

CHECK YOUR CAREER PULSE TODAY

FUTURE 360 IN ACTION!

We are working hard with your lecturers to make sure your learning experience prepares you for the career you deserve. We do this in many ways:

- We invite employers and Christ Church alumni to your classes to give professional talks and engage you in industry projects.
- We come to your classes and help you improve your employability and career management skills.
- We meet with you individually to empower you to make career choices that suit your personal strengths, degree specialism, and work experiences.

CAREERS AND ENTERPRISE: YOUR SUPPORT TEAM

Whether you are a career starter, a career changer, or a career developer, the Careers and Enterprise Team is here to support you every step of the way, whether you are looking for part time work or work experience now or thinking ahead about your future.

Find us in Augustine House, in one of your lectures or online. We are here to help.

Everyone is on a different career journey – open the flyer to see the many ways we can support you.

Ways we can support you with your career goals.

YOUR CAREER GOALS
