

## Digital Academic Developers (formerly faculty Learning Technologists)

The Digital Academic Developers (DADs), formerly Faculty Learning Technologists (FLT) are members of the Technology Enhanced Learning (TEL) Team who specialise in the development of digital pedagogies. They support their faculties in programme development through discussion and training, working with individuals and programme teams to enhance the student learning experience.

The DADs for each faculty are:

Faculty	School / Centre	Previously... Faculty Learning Technologist	November 2020 Digital Academic Developer
Arts, Humanities & Education	School of Creative Arts	<a href="#">Simon Starr</a>	<a href="#">Simon Starr</a>
	School of Humanities and Educational Studies	<a href="#">Simon Starr</a> / <a href="#">Sam McFarlane</a>	<a href="#">Lynne Burroughs</a>
	Centre for Language Studies and Applied Linguistics	<a href="#">Simon Starr</a>	<a href="#">Simon Starr</a>
	School of Teacher Education	<a href="#">Sam McFarlane</a>	<a href="#">Sam McFarlane</a>
Medicine, Health and Social Care	School of Allied and Public Health Professions	<a href="#">Lynne Burroughs</a>	<a href="#">Wayne Barry</a>
