- 6 If successful in being recommended for the award of QTS the SCITT can and will award QTS irrespective of the PGCE or ProfGCE being passed or not.
- 7 Where the SCITT confirms that a recommendation for QTS is made, students will be awarded a Pass for the relevant SCITT QTS Recommendation module. Students not recommended for QTS will be awarded a Fail for the relevant SCITT QTS Recommendation module.

RETRIEVAL

- 8 Only one reassessment attempt is permitted per component of assessment.
- 9 Retrieval attempts for the recommendation for Qualified Teacher Status will be decided by the SCITT. The outcome of the relevant SCITT QTS Recommendation module will be updated when the SCITT confirms that the student has been recommended for QTS.

DUAL-LEVEL MODULES

- 10 Dual-level modules are permitted, the outcomes of which may either be at Level 7 or Level 6.

- 11 Each component of assessment has the outcome Pass/Not Pass and at Level 7 is also allocated a numerical mark for classification purposes.
- 12 The application of a late penalty will not take a Level 7 student into a Level 6 banding.

CLASSIFICATION

- 13 The following awards are not classified:
 - i. Prof GCE School Centred Initial Teacher Training (Primary Education)
 - ii. Prof GCE School Centred Initial Teacher Training (Secondary Education)

- 17 To pass a module at Level 6 all components must be passed and at least one component of assessment must be passed at Level 6.
- 18 Components of assessment marked at Level 7 will be given an individual, specific percentage mark. The pass mark is 50%.
- 19 At first attempt all components of assessment will be marked against the Level 7 criteria. Where it is determined that the Level 7 criteria have not been met, those components of assessment will be marked against Level 6 pass criteria and given an initial mark of 40% if these are met.
- 20 For all components of assessment resulting in a numerical mark that have not been passed at Level 7, a student will be offered reassessment at Level 7. After reassessment, where it is determined that the Level 7 criteria have not been met, components of assessment will be marked against Level 6 pass criteria and awarded 40% if these are met. Where a component of assessment was initially given a mark of 40% and the offer of reassessment at Level 7 was not taken, the Level 6 pass will then be awarded.
