<b>Protected titles/awards (only available to students who pass all academic and professional requirements)</b>	MSc Physiotherapy
<b>Implementation date</b>	1 September 2025
<b>Applies to</b>	All Cohorts, except as identified below

### INTRODUCTION

1. The Regulations for Taught Awards apply in full to this course, except as detailed in these Additional Course Regulations. In any conflict between the two, this document shall take precedence.

### PROTECTED AWARD

2. The only award for this course that confers eligibility to apply for professional registration as a physiotherapist is MSc Physiotherapy. Students must meet all academic and professional requirements, including those related to student conduct, good health and good character, to qualify for this award. The MSc Physiotherapy title is not available as an Aegrotat or Posthumous award.
3. Students who are unable to meet all the academic and professional requirements may be eligible for alternative awards or default exit awards as set out in the approved course documentation. These awards do not confer eligibility to apply for registration as physiotherapist.

### ASSESSMENT

4. All components of assessment must be passed.

### RETRIEVAL

5. Where a student is required to reattend placement for the purposes of reassessment, one reattendance at placement only will be permitted and will need to occur in the next available placement period.

### COMPENSATION

6. Compensation is not permitted.

## **MAXIMUM PERIOD OF REGISTRATION**

7. The maximum period of registration is five years (full time).

## **FITNESS TO PRACTISE**

8. Students must provide an annual statement of good health and good character in order to remain on the course.
9. The University Fitness to Practise procedure applies on this course. Where a student is subject to a Fitness to Practise referral, continuation on the course, and engagement with current and future (re)assessment opportunities related to professional practice will only be possible:
  - (i) where the Fitness to Practise investigation deems this to be appropriate and
  - (ii) where any precautionary measures linked to practice are lifted.
